

Nancy's Bio

Nancy's ministry lives out the words of **Isaiah 61:1** "...to bind up the broken hearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound ..." Nancy has 50 years of ministry where she has already touched the lives of thousands both in the U.S. and in the countries of Haiti, Belize, Mexico, Panama, and Argentina.

Nancy has served on staff with Dr. John P. Kelly where she helped to found and direct a network of over 1,000 churches with Antioch Churches and Ministries. Nancy trained hundreds of people who served the Body of Christ in third world countries with Team World Outreach.

With a passion to restore biblical womanhood to the Body of Christ, heal the broken and equip the Church, Nancy has traveled nationally and internationally preaching, teaching and training. As the head of an Apostolic Women's Team she ministered to leaders and congregations across the U.S.

As Director of Women's Prison Ministry for a tri-state area Nancy learned to release the liberty of the Holy Spirit into the lives of people as she established and equipped numerous Prison and Jail ministry teams. The mother of three children and six grandchildren, Nancy became a Course Writer for Antioch University, helped to found and administrate Prophetic Covering Ministries and presently serves on the board of City Net Ministries, which birthed a network of NY Intercessors. She is also on the board of Clearsound Ministries, headquartered in Arkansas.

In 1988 Nancy established Truth Ministries to set people free from emotional bondage, bring them into maturity, and help them find their calling and birthright. Truth Institute is a Teleconferencing arm of Truth Ministries, headquartered in Redding, CA where Nancy continues to minister to congregations, teach on the battlefields of Global warfare, minister to victims of abuse, mobilize missions and pray for the cleansing and restoration of the water and land.

Nancy is a member of Bethel Church where she ministers in the Bethel School for Super Natural Ministry. For the past 10 years she has been praying for the brain and researching its impact on people physically, mentally, emotionally and spiritually. The applications and principals that the Lord has revealed are setting people free from life-long bondages.
